

About Defensa Animal de Rincon Puerto Rico

This information with links referenced is also available at DefensaRincon.org/About

Founded in 2013, Defensa is a Federal and Puerto Rico Accredited Non Profit Animal Rescue Organization. We are listed on the Hacienda's Act 20/22 eligible charities. Our EIN is 660811657. We communicate daily via DefensaRincon@gmail.com. We help people to rescue dogs, cats & horses anywhere in Puerto Rico if they can use our [Rescue Programs](#). To get a clear idea of the real animals we help please visit our [Successful Rescues](#) - it should make you smile :) We are currently the only 501c3 on the Island helping the unwanted street horses, we hope to lose that distinction sooner than later because of more horse rescue groups forming!

We are proud to have repeatedly achieved the [Seal of Transparency](#) with Guidestar and consistently rated as one of the few PR 'Top Rated' organizations with [Great Non Profits](#).

Defensa was also distinguished with the honor of being one of the "[10 Best Volunteer Opportunities in Puerto Rico of 2018](#)".

We post our [current months animal count & financial/PL](#) around the 1st of every month. You can see exactly how many animals we have helped and where the money goes in helping mostly dogs, cats and horses. Although we have helped the occasional pig, cow & donkey over the years.

You will find our current [Puerto Rican Rescued Animals](#) for [adoption on our website](#) as well as on Overstock, PetFinder, AllPaws and AdoptAPet. Information on ways to donate at www.DefensaRincon.org/Donate.
